

THE WALL PAINT!

THE FUNCTIONAL

Environment

- Low CO2-emissions
- Packaging made from 100% recyclable materials

NO MATTER HOW
WILD YOU GET, YOUR
WALLS STAY CLEAN

MISSPOMPADOUR.COM

#SIMPLYPAINT

Application

- odourless
- Spatter-free
- Fast drying (dry to the touch after 1 hour – painting after approx. 6 hours)
- Excellent hide and covering power

Paint results

- Extra washable
- Extremely scuff-resistant
- Extreme wet abrasion resistance class 1
- Strong colour brilliance
- Resistant to clear disinfection and cleaning agents that can be diluted with water
- Ideal for walls, that need regular cleaning – e.g. in a kitchen, dining room, children's room, hallway (with pets), etc.

Health

- Low VOC
- Water dilutable
- Low in solvents
